

MONSU Peninsula loves to recognise all of the hard work our volunteers put in to make our events amazing, so last week we held a 'Thank-you Function' to celebrate the wonderful work our volunteers did during HOST Scheme, Beach Day and O-Week 2010.

If it wasn't for the dedication of our army of volunteers, events like Beach Day would simply not be possible! Each volunteer was rewarded with a special dinner at the Seahorse Tavern's Hump Night, a Bookshop voucher and a certificate of appreciation.

MONSU welcomes any students who are interested in volunteering at our events, on our committees, and clubs, to head on down to the MONSU Peninsula Service Desk and chat to one of the student reps, or send us an email or a Facebook message!

Monash Education Society

Monash Education Society (MES) has had a great start to the year; our welcome BBQ was our first official event that was held successfully. MES has an upcoming Booze Cruise which will be held on the 6th of May, with an "above & below the sea" theme. Tickets are selling out fast so get to the MONSU service desk as soon as possible. Looking forward to a great night out!

Campus Christian Movement

It may have been a cold winter's night on the 12th of April 2010, but that didn't prevent the sweat and adrenaline flowing from CCM's "Ultimate Ball at the Gym" event in Building B! This event was simple: it was only week 6 and already too much study had been going on! So as a 120% student-friendly club, we, Campus Christian Movement (CCM) decided to open up the gym just to get everyone active, improve (or regain) their cardio health, and most importantly, have a bit of fun. We are pleased to announce that the event was a great success, and would like to thank every participant for coming. We hope you enjoy the remainder of this semester, and stay tuned for our next upcoming event: Rock-climbing!!! :D

AROUND CAMPUS

STUDENT SURVIVAL WEEK

Some amazing events have graced our campus for Student Survival Week this year. Kicking off with a BBQ on **Monday** by MONSU which had sausages and vegie burgers flying off hot plates faster than we could cook them! On **Tuesday** our Student Rights and Support service provided information for students (visit www.monsupeninsula.org.au for info) whilst handing out free lollies and Subway. On **Wednesday** the 3-minute angels massaged students' stresses away, while 2 BBQs appeased appetites on campus thanks to Health, Wellbeing and Development, and ParaSoc. Students got nimble on **Thursday** with free yoga classes, as well as the National Union of Students "Use Your Noodle" campaign taking place on our campus which aimed to raise awareness of youth allowance issues. Finally, finishing off with \$1 coffees from the Cafe on the **Friday**.

OSS Booze Cruise

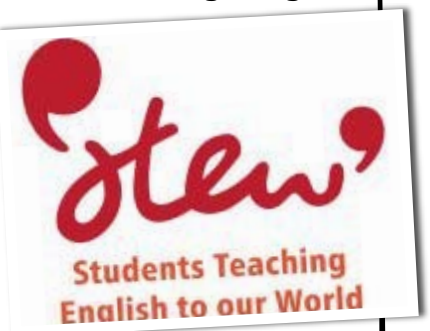

The OSS Booze Cruise was held on April 1st onboard the mighty Melbourne Vessel Lady Cutler. Students from Peninsula, Berwick and Caulfield joined us through the memorable journey. Everyone on board enjoyed the cruise along the Yarra River with great music and of course the Booze. It was an evening of epic proportions, as no one jumped overboard! As we sailed away at sunset, and partied under the stars, Booze Cruise was one heck of a voyage. "All hands on deck!"

Students Teaching English to our World

Students Teaching English to our World (STEW) envisions to empower refugees and migrant adults through education. We provide free one-on-one English tutoring in suburbs surrounding Monash or your area, working alongside AMES (Adult Multicultural Education Services). As a university run group, we provide a great support group for upcoming volunteers. The majority of our clients are Afghani or Iraqi women. If you would like to become a STEW volunteer and feel invigorated by helping someone, contact us (at stew@monashclubs.org and join our facebook group 'STEW Peninsula) as you must first complete the AMES Training Program.

The sessions are held on campus, so you can come right after you have finished class. It is a 6 week commitment and each session runs for 2 and a half hours. Training for this year begins on Tuesday April the 13th and potentially in Semester Two.

THE SEAHORSE TAVERN

Do you suffer from uni-itis? Does your tummy rumble right on cue when the clock strikes 12pm? Does your mind wonder in search of great satisfying food during your endless lectures?

If you experience one or more of these symptoms we strongly suggest that you head on down to the Seahorse Tavern, where you will be prescribed a dose of fresh, mouth-watering meals and drinks! If you only have a spare couple of minutes

between class, the Tavern has a takeaway option, so you can take your lunch back to class and tease all your friends!

Also, don't forget that the Seahorse Tavern is open every Wednesday night for dinner! 'Wednesday Night Hump Nights' will help you survive the rest of the week, keep you refueled if you have a long night of work ahead, or help you celebrate the completion of that

horrible assignment you have been toiling at for weeks. With live music, and great food, bring your friends along and enjoy a relaxing night at the Tavern!

There are changes coming to the Seahorse Tavern, so keep an eye out so you don't miss out!

SOOT BALL 2010

At 7:30pm on Friday the 14th of May, The Society of Occupational Therapy is opening the doors to a spectacular Ball with gowns and crowns galore. The theme is 'Happily Ever After' and we are hoping to see lots of young princes, princesses and fairy tale creatures. Tickets are \$75 for members and \$85 for non-members, and are on sale now! For your money you will be getting appetisers, a three course meal, beer, wine, basic spirits and soft drinks as well as a cocktail on arrival for those on time. Get in quick and come and join us at the Lincoln of Toorak for this grand occasion. Make your dreams come true and maybe you'll find a Prince Charming (or two)!
