Student Opportunities Continued...

Opportunities for Victorian Conferences, Events & Rural Health Activities

RWAV Rural Ambassador Program

Are you interested in sharing your wisdom? Engaging with the younger generation? Sharing your university journey and the tips and tricks you have learnt along the way? Join RWAV's Rural Ambassador program!

The program supports medical, nursing and allied health students to attend career exhibitions, conferences and rural health-focused events. Engage with students & assist them on their career journey by sharing yours!

RWAV covers all costs associated including travel, accommodation, and meals. Ambassadors have the opportunity to;

- Attend fun and exciting events
- Travel Victoria
- Network with industry professionals and organisations that can assist you in the future Career
- Gain professional leverage and prestige
- Have your contributions recognised in the RWAV Annual report.

Graduation & Beyond

Recruitment Services

Our recruitment team uses a comprehensive approach to your placement and settlement. Our services are free of charge and offer ongoing post-placement support for you and your family.

The RWAV recruitment team offers;

- CV preparation advice
- Interview tips and guidance
- Searching for suitable opportunities through our vast health networks
- Assisting with coordinating interviews
- Providing feedback after interviews
- Assisting with employment negotiations
- Access to grants, including relocation and upskilling

Outreach

RWAV's outreach programs aim to increase access to maternal and pediatric, mental health, chronic disease management, and ear and eye health care for communities in rural and regional Victoria.

- Provide outreach services to rural, regional, and Aboriginal and Torres Strait Islander Communities across Victoria
- Funding covers out-of-pocket expenses to support the travel and associated costs of providing services

If you are interested in providing an outreach service in Victoria, you can submit your expression of interest here.
